Tri-City Christian Academy has traditional self-contained classrooms for K5-4th grades. 5th and 6th grade is a mix between elementary and junior high/high school with two teachers and 7th - 12th is organized with specialty teachers for the various areas of study. TCA has a balance of experience from new teachers to those who have been teaching for 20+ years; including ten with advanced degrees, that contribute to our quality educational program. At TCA you will find a Christ-centered faculty who integrate God's truth into individual subjects on a daily basis.

extra-CURRICULAR

TCA offers a wide range of athletic opportunities for both boys and girls: soccer, volleyball, basketball, golf, baseball, fast pitch softball, and cheerleading. Athletes compete against schools all over the state of Arizona in the Canyon Athletic Association. We also have an elementary program that runs after-school volleyball, soccer and basketball for 3rd-6th grade boys and girls.

TCA believes art, band, choir, and drama play an integral part in a students education. Vocal and band training begin early. Our high school band participates in state and regional festivals. We have also had students participate in the Arizona Music Educators Association All Regional Honors Band and Choir.
